Better!**

Parks & Recreation Department

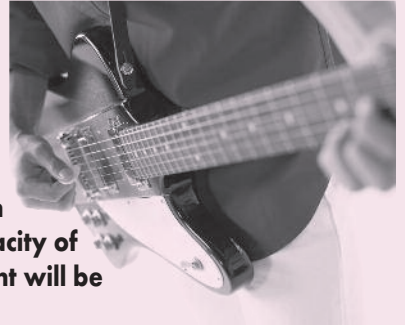

Just be a kid, it's good for you!

With our busy schedules, children and adults now see play as a luxury that must be squeezed into their schedule. This view of play is sorely misguided. Being play-deprived is similar to being sleep-deprived. Our genetic code demands that we play, just as it demands that we sleep, and when we resist this primal urge, our physical, emotional and mental energies are deeply depleted. Infusing play into your day can help keep you emotionally balanced and help reduce stress.

So, next time daily life starts getting hectic, take a break and play. These special moments with family and friends create precious memories and help add years to our lives, so let our Activities Guide be Your Guide to Parks, Recreation Classes, Programs and Events!

We're Back and the Fun's Back with Us!

The Parks and Recreation Department is excited to return to our downtown roots at the new Brentwood Community Center. With the increase in capacity of the new building and the beautiful remodel of City Park, our department will be bringing back hometown favorites such as . . .

Lunch with Bunny on Saturday, March 31st featuring spring themed crafts, lunch and an "egg" citing meet and greet visit with the Easter Bunny. Also back, is the popular Friday night **Starry Nights Summer Concert Series** which kicks off on June 15th. These FREE family oriented concerts feature a variety of live entertainment throughout the summer season. But wait, we didn't stop there . . . starting in February we will offer a **Date Night** event on the 10th where kids ages 6 to 12 will enjoy games, activities and a

"kid-friendly" dinner, while parents get to enjoy, well, whatever they want to! On February 11th, the City will host a **Sweetheart Brunch** which includes a buffet, live entertainment and photos in the sweetheart photo booth. This couple's dress-up event is a great way to

celebrate Valentine's Day with your "sweetie" be that grandparents & grandkids, mom & dad, mom & son, dad & daughter or whoever is the "sprinkles" to your dessert. Move over NASCAR, Saturday, April 21st is **"Big Wheels" Race** day in Brentwood! Bring your "big wheels" and tricycles and race to the finish line in this crazy, fun family event. Divisions are open for kids, teens and adults. Don't be late for this very important date! Saturday, May 19th

enter a "Wonderland" of fun at the dress up **Mad Hatter Tea Party**. Enjoy treats, tea, crafts and live entertainment with "special" characters that will meet and greet with party goers.

Please watch for further information regarding times, performers and registration information for special events and concerts.

We've Moved!

The Department of Parks and Recreation would like to thank all of our dedicated **Youth Sports Coaches** for their generous support of our programs and services. Without you youth sports would not be possible!

Youth Sports FAQ's (FREQUENTLY ASKED QUESTIONS)

What if I missed the registration deadline?

Waitlists will be established once an activity has reached maximum capacity or the registration period has closed. Waitlists will only be taken up to five (5) business days after registration has ended. Please check listings for program deadlines. If a space opens, you will be notified. Being placed on a waitlist does not guarantee placement in an activity. If placed, an additional service charge of \$23.20 will be added to the cost of the program.

What if I order the wrong size jersey for my child?

Once we have placed an order with a manufacturer we are not able to make changes, please make sure that you order the correct size when you fill out your registration form. Sample sizes are available for most sports at the Parks and Recreation office.

Can my children play together on the same team?

Siblings will always be placed on the same team if they are in the same division. Children are allowed to "play-up" (play in a division above their age group), however they are not allowed to play-down.

May I request that my child be placed with the same coach as last year?

In order to maintain a fair and balanced league, we do not honor these requests. Our department facilitates recreation based sports activities where emphasis is placed on children having fun, meeting new people, and experiencing different coaching styles.

Can we expect a trophy at the end of the sports program?

Different types of awards are given out at the end of each sport program. Your coach will be notified at the beginning of the season as to what to expect in the way of awards.

Are there Friendship Requests?

Yes, for City youth sport programs, you may make a friendship request by completing a Friendship Request form available on the Parks & Recreation Department website. Please read the form carefully as there are restrictions. We do our best to place your child with the person that they choose, however this cannot always be done based upon fairness of the league and team distribution. Friendship Request Forms are available on our website and must be submitted at time of registration.

Are there Playoffs?

There are playoffs for the oldest division in the following sports: Girls Softball, Flag Football, and Basketball. Only the first and second place teams during playoffs will receive trophies. For all other divisions, all participants will receive a trophy at the completion of the season.

Can my child play "up or down" a division?

Your child can play up a division but they cannot play down. There are play up waivers available on our website.
